

NEWSLETTER

TCF NSW publishes a quarterly newsletter called "FOCUS" for the benefit of our members.

The newsletter is mailed to new members free of charge for six months; thereafter, the subscription rate is \$30.00 per year. Focus may also be downloaded from the Members-only area of our web-site. Members of TCF (NSW) are given a password to access this area. It is free to download Focus; however, if you use this option please consider making a tax-deductible donation to TCF (NSW).
